

Empire Medical Training

CERTIFICATE

of
Achievement

THIS CERTIFICATE IS PROUDLY PRESENTED TO

Pasquale Malpeso, DMD

The practitioner designated herein, has completed an extensive program on **Advanced Facial Aesthetics**. This workshop included skin type classifications for photo-aging and acne indications, the uses of microdermabrasion, AHA, BHA and Caustic Medical Grade Chemical Peels, and the inclusion and use of various cosmeceutical and skin care regimens. The training included other therapies for comprehensive skin rejuvenation and resurfacing techniques including microneedling for static rhytids and scar revision. This is an 8.0 hour.
